Olympian to light up torch relay in South Somerset

SOUTH Somerset is poised to experience a once in a lifetime event when the Olympic Torch Relay shines a light on the district on Tuesday, May 22nd.

The streets of Ilminster, Yeovil, Ilchester and Somerton will be lit up as the Olympic Torch Relay passes through, and anticipation in each town is building as the big day approaches.

Yeovil will proudly welcome Olympic gold medallist Amy Williams.

Amy won gold in the bob skeleton event in Vancouver in 2010 – Great Britain's first gold medal in an individual event at the Winter Games for 30 years.

In 2010 she received an MBE and was also shortlisted for BBC Sports Personality of the Year.

Amy will be joined by dozens of other inspirational Torchbearers that will visit South Somerset.

There are three phases of the Olympic Torch Relay:

● The Advance Activation Convoy – around 45 minutes before the Torchbearers arrive, Presenting Partner vehicles provide a range of colourful entertainment.

● The Activation Convoy – this part of the convoy will operate five to six minutes ahead of the "Flame Convoy". On the left hand side of the

road Presenting Partners - Samsung, Coca-Cola and Lloyds TSB - will be handing out keepsakes

● The Flame Convoy - this section is the showpiece in each town and escorts and supports the inspirational Torchbearers. This will be the opportunity to cheer the Torchbearers and show South Somerset off to a world-wide audience.

The first part of call for the Torch will be Ilminster at 6.53am.

The Mayor of Ilminster, Councillor Carol Goodall, said: "Ilminster will be ready to welcome the Olympic Torch Relay and excitement is mounting as we prepare to celebrate its passing with cheering crowds and special breakfasts being held by businesses and schools."

"Our local Carnival Committee have been heavily involved in the arrangements for marshaling the event and they will joined on the morning by the Lions."

"It will be an historic occasion and I am sure one that will be remembered for many years to come."

Following Ilminster the Torch will make its way to Yeovil at 7.39am.

Ilchester is next on the route at 8.11am. There will be hundreds of schoolchildren lining the route as well as a welcome from the RNAS Yeovil Volunteer Band.

The last destination for the torch in

South Somerset is Somerton.

As the Olympic Torch Relay comes through each of these places early in the morning, it is important that anyone commuting to work, or who has an early appointment in these locations, allows for delays to their journey time.

Although there are no road closures, traffic will be stopped in each community as the Torch Relay works its way around the district.

Councillor Sylvia Seal, Portfolio Holder for Leisure and Culture at South Somerset District Council said: "Although the Olympic Torch Relay is coming to South Somerset early in the morning we are looking forward to giving the inspirational Torchbearers a very warm welcome."

"There will be street performers, bands and a lot of encouragement. I urge everyone to get in place to watch as early as possible to avoid disappointment."

"South Somerset District Council has organised the event in partnership with Ilminster Town Council, Yeovil Town Council, Ilchester Parish Council and Somerton Town Council. I would like to thank each council for their support and enthusiasm as well as the emergency services and Somerset County Council for helping to bring the event together."

New mayor for Ilminster

A NEW Mayor was unanimously voted-in on Tuesday night at the Annual Meeting of Ilminster Town Council.

Outgoing Mayor Carol Goodall opened proceedings by tabling the only nomination, that of Deputy Mayor Councillor Roger Swann.

The two shook hands and Councillor Goodall duly handed over the chain of office to Mayor Swann.

The new Mayor thanked his colleagues for their support, telling them: "Looking at the honour board reminds me of the huge public service that has gone before - and, more immediately, the exemplary standard set by Carol Goodall."

He said he hoped to fill her shoes and joked: "I'm not saying she's got big feet!"

Members also appointed Councillor Emma Jane Taylor as the new Deputy Mayor of Ilminster.

Traders upset by traffic chaos

By Alex Alexander

"CHAOTIC" road works left Crewkerne traders out-of-pocket and civic chiefs fuming. Contractors spent several days resurfacing South Street just before the Queen's visit earlier this month.

But the work caused town-centre chaos with horrendous traffic jams and the Waitrose car park completely empty - even though it was apparently supposed to remain open.

Town councillors this week voiced their anger at the fiasco and instructed clerk Jeanne Warner to fire-off a stiff letter to Somerset Highways.

Mrs Warner told town councillors on Monday night: "There have been some serious complaints by businesses in the town because their trade was affected.

"I witnessed the chaos and queues. The South Street car park was empty.

"It was particularly chaotic and there were quite a few businesses that were extremely upset."

Several members echoed Mrs Warner's remarks. They also expressed frustration that highways had again failed to ensure adequate notification of major roadworks in the town.

Mayor Neil Sturtivant said earlier work in South Street had been "shambolic" and Somerset Highways had clearly not learnt any lessons.

He added: "Waitrose were told by the county council that the contractors would start at the bottom of South Street and work up.

"But the contractors told me they were starting at the top and working down.

"I work for a business (the Aqua Centre) that was affected.

"The contractors said there would be access to the South Street car park at all times. But people coming to me saw the road closed."

Councillor Mike Best said the first he knew about the chaos was when a traffic warden rang him to ask why the Waitrose car park was empty.

Councillor Sue White proposed a letter complaining to Highways officer Mike Fear and urging him to keep the town council informed about major roadworks.

She said: "People think it's us that's doing all this and that we are not organised enough.

"We are taking the blame!

"We should tell him we want a list in advance."

Members unanimously backed her suggestion.

■ THE Highways officer at the centre of the "chaotic roadworks" row has apologised for "disruption and inconvenience" and admitted that "lessons can be learnt".

Mike Fear emailed the apology to town and district Councillor Angie Singleton, with copies sent to Crewkerne Mayor Neil Sturtivant and town clerk Jeanne Warner.

He told them: "The need for deep planing had an impact on the phasing of the operation.

"Advance notice of the work

was provided and talks were held with traders.

"This resulted in modifications to the original start and finish times.

"We were able to open the top end of South Street after just two days, to enable access to the car park.

"Clearly, the operation was disruptive and proved an inconvenience to many people, for which we apologise.

"The appalling weather did not help either.

"As with every event, lessons

can be learnt.

"I know that, despite the efforts made, signing of the works was an issue."

Mr Fear added that diversion signs were in place but he said: "The feedback we received was that more could have been done.

"We will be looking into the options for future schemes."

He concluded: "The finished surface has provided us with a robust carriageway which I hope will stand the test of time for years to come."

I'M SAYING NUFFIN: Red Cross Manager Jo Hampshire pauses from crocheting during her 60-minute silence in Falkland Square last Friday while Town Crier David Craner rests his ears and lends his hat to two-year old Vincent Brown

Chatterbox Jo says nothing

IT started with an enormous bellowing announcement from Town Crier David Craner - an hour's golden silence from self-confessed chatterbox Jo Hampshire.

The manager of the Crewkerne Red Cross shop guessed that keeping schtum would be a sure-fire way to raise extra funds from grateful colleagues and shoppers. And she was right.

A couple of 60-minute stints of speechless bliss (for everyone else!) helped generate nearly £180 in extra donations during Red Cross Week at the Falkland Square shop.

Jo, who celebrates 14 years running the shop this September, said: "Our head office always likes us to do something extra during our special week.

"Everyone knows I'm a chatterbox, so they were happy to make a donation for me to shut-up!"

Jo spent a quiet hour sitting outside in the rain on Thursday of last week, followed by another hour in the sunshine on Friday.

One of those more than happy to pop a pound in the box to keep her vocal chords idle was two-year-old Vincent Brown, who was out shopping with his mum.

And he even got to try-on Town Crier David's magnificent three-cornered hat.

As part of the fun, Town Crier David also penned a six-verse poem especially for Jo's "don't-talkathon".

And one verse in particular stood out:

"It's a pleasure to see Jo silenced,

Though for not long enough, some might say.

Can you imagine the peace it would bring.

If she said nowt for the rest of the day!"

Queen's visit thank you to the town

THE Queen's Somerset representative, Lady Elizabeth Gass, has thanked the people of Crewkerne for the warm welcome Her Majesty received during her jubilee visit earlier this month.

In a letter to Crewkerne Mayor Neil Sturtivant, Lady Gass said: "Thank you very much for all the help from everyone concerned with the Diamond

Jubilee visit by the Queen and the Duke of Edinburgh.

"I know how much teamwork and effort were involved, resulting in an unforgettable day of celebration, and marvelous support from people from all over the area as well as Crewkerne itself.

"The town was looking splendid, and a variety of

displays most effective.

"You must all be delighted at the result of all the preparation for such a happy event."

Lady Gass signed the letter with the words: "With congratulations and best wishes to you all."

Lady Gass accompanied the Royal couple throughout their visit to Somerset.

W news briefing

Pharmacy gets go ahead

PLANNERS have granted a "lawful development certificate" to the Crewkerne Health Centre, paving the way for a new pharmacy at the facility in Middle Path. Doctors at the health centre have ambitious expansion plans that could deal a fatal blow to a nearby Co-op pharmacy.

Practice manager Louise Walker posted a statement on the surgery website earlier this year explaining what is envisaged and addressing concerns raised by worried neighbours.

She said: "The doctors have teamed up with Community Pharmacies (UK) Ltd to develop a health centre pharmacy.

"This exciting development will extend the services available to patients and improve convenience by enabling people to get their medication from the on-site pharmacy rather than having to visit a separate location.

"The pharmacy will remain open when the surgery is open and stay open late in the evenings and at weekends.

"We believe the addition of the pharmacy will provide an improved and more convenient service to patients.

"We do not anticipate any increase in traffic or parking problems as a consequence of the development. There may well be a fall in traffic."

The surgery unsuccessfully applied earlier this year for permission to erect three illuminated pharmacy signs.

A couple who live opposite told planners they were concerned about the pharmacy opening for at least 14 hours every day of the week, and also about "the type of drugs that will be supplied, and to whom."

They added: "Our main concern is the sad fact that there is a need to open a pharmacy for what will be more than 14 hours per day, seven days-a-week."

The Health Centre hopes to open the pharmacy this summer.

• The Co-op runs a pharmacy opposite the health centre from 9am to 6pm during the week, with lunchtime closing between 1pm and 2pm.

Fair Trade in Ilminster

WENDY and David Westwood know that many people in Ilminster and the surrounding area are aware of the concept of fair trade, which is a way of helping people in the developing world to earn a decent living by producing goods which the rest of the world wants to buy.

They hope that people will visit their new premises in Silver Street - past the Minster Church, on the right hand bend. Just Things is a "one-stop shop" for fair trade goods, from coffee, chocolate and other food items to wooden boxes, small toys, jewellery, bags and much more.

Information on suppliers and producers will be available for those who are interested and Wendy and David are always pleased to chat about fair trade in general and to source products which customers would like.

They are particularly pleased to offer a full range of Divine chocolate at very competitive prices. Their incense sticks, which are chemical free, are selling well, and the beautiful Indonesian silver jewellery is much admired. Just Things is also a stockist for colourful hand painted wooden toys from Sri Lanka. There are gifts and crafts to suit all ages and pockets. Feel free to call in and browse.

THE great British breakfast is alive and well — and got washed down with a nice cup of tea at Misterton WI hall on Saturday morning.

More than 30 happy eaters popped along for a £5-a-head fundraising feast to help pay for a children's Diamond Jubilee party at Misterton Village Hall in early June.

Head waiter Tony Sperinck said: "I remember enjoying the Queen's Silver Jubilee in 1977.

"So we wanted to do something for local children to remember the Queen's Diamond Jubilee."

Half a dozen people on the organising committee are expecting to feed and entertain up to 80 youngsters aged 15 and under on the big day.

As well as ice cream, jelly and lashings of ginger beer, the partygoers will be invited to take part in a "Royalty" fancy dress competition.

The best King and Queen will have pride of place (with silver service and extra fizz!) on the top table.

There will also be fun and games, face-painting and a balloon race.

And every child will receive a Diamond Jubilee commemorative medal.

The village will continue celebrating the Queen's jubilee with a barn dance during the evening.

A 'nuts and bolt's' guide to starting a small business

ILMINSTER chartered accountant Robert Stone has decided to offer a helping hand to those starting up a small business by producing a free guide.

For anyone who wants to start their own business, but doesn't know where to begin, *The Small Business Guide*, is essential reading. It aims to steer would-be entrepreneurs and small business owners through the minefield of do's and don'ts involved in running a successful small business.

The guide covers topics such as the personality traits and skills needed to be a successful entrepreneur, choosing the right business structure, insurance, health and safety, keeping accurate financial records, tax planning, how to raise finance, choosing a bank, creating successful marketing campaigns and where to find further support.

As a chartered accountant specialising in small business clients, Robert Stone has over 30 years of experience dealing with local businesses of all shapes and sizes, from farmers and electricians to high street retailers and public houses. He has helped many people to set up and develop their own successful business.

Mr Stone said: "The role of a modern accountant has changed enormously. No longer are we here just to process people's accounts, we also play an active part in advising and supporting them on a wide range of different business matters, right the way through from creating a business structure to finding funding and even acquiring business premises.

"I wrote the guide because I enjoy working with small businesses and helping them succeed. I wanted to channel my knowledge into something useful and practical - a real nuts and bolts guide, that is easy to understand."

The *Small Business Guide* by Robert Stone, BA FCA, is available free from: Robert Stone, Robert Stone & Co, The Old Magistrate's Court, East Street, Ilminster TA19 0AJ, telephone 01460 55661 or email: robert@robert-stone.co.uk

Station friends keep on working

WET weather curtailed plans for a weed-strimming session by the Friends of Crewkerne Station last week.

But a faithful few still managed to do some useful digging and dibbing on the platform's overgrown "flower" bank.

Friends Secretary Gail Coleshill said: "Bad weather meant that the planned strimming on the bank at Crewkerne Station could not take place.

"But some of our volunteers were able to clear weeds and rubble between the Pump House and the bridge ready for seeding with wild and annual flowers.

"The bank now looks much better."

The Friends were also busy in the run-up to the Queen's visit to Crewkerne earlier this month.

They replaced some of the primulas in the platform planters with patriotic red and blue petunias.

The Countrywide store again contributed towards the planting.

The Friends have also been in recent contact with South West Trains about the lack of a proper taxi rank at the station.

And they are waiting to hear what space will be made available at the station for a Friends noticeboard.

• The next meeting of the Friends of Crewkerne Station will be on Wednesday next week (May 23rd) at the Old Stagecoach Inn, Station Road, at 7.30pm. Anyone who wants to get involved is very welcome.

■ DIG IN: Friends stalwarts John and Gail Coleshill with Jo Spitel (right) show a weed-infested bank who's boss. But strimming some nasty nettles will have to wait until warmer, drier weather

We are the champions!

THE Year 5 Futsal team from Maiden Beech School in Crewkerne won three tournaments to become champions of Somerset in the under 10 age group.

They then competed in the South West Regional tournament in Paignton against other county champions. They finished fifth in the tournament but this was a great achievement at county level. The team, pictured above, was Luke Manley, Jack Gillman, Callum Sparks, Lewis Trusson, Ethan Swinnerton and Tom Fry.

Spiritual group meeting

A NEW spiritual group for anyone interested in exploring the mysteries of life, developing their intuition and spiritual understanding and networking among friends, holds its first meeting in Crewkerne next Monday evening.

Crewkerne AWARENESS will take place on the third Monday of every month in the Meeting Room at the Unitarian Chapel, Hermitage Street, Crewkerne from 7pm until 10pm. Admission costs £2.50 and includes light refreshments.

Guest speaker for the inaugural meeting on Monday, May 21st will be the facilitator of the new group Anastasia Collingridge whose talk is entitled 'Animal Speak - communicating with animals in the physical and spiritual realms.

Surgery staff stride out in support of hospice

FOUR members of staff from the South Street GP Surgery in Crewkerne took part in the St Margaret's Hospice Great Somerset Walk from Yeovil.

The team wore t-shirts bearing the name of their new West One Surgery which they hope to move into early in 2013.

Practice manager Peter Woodward said: "We made it to Langport in 8.75 hours, by no means the fastest team but very determined. We probably need to get fitter for next year!"

THEY rode in on Segways and quadbikes; they were chauffeured in Bentleys and open-topped buses; their transports of delight included £700-a-day stretched-limos, ice cream vans, VW campers, golf buggies, gas-guzzlers, mopeds, hummers, and a humble Morris Minor.

Welcome to the annual Holyrood Academy Prom Day at Chard.

The 180 Year 11 students donned their suits and

gladrags last Friday to celebrate their final school day together.

No more classes; no more PE lessons; no more assemblies.

Straight after the weekend, though, the entire year group was plunged into a solid month of grueling GCSE exams.

But on Prom Day, head-teacher Maurice Hicks

spent a happy hour welcoming the students and their proud parents in some rare spring sunshine.

He told the *Weekender*: "It's a fantastic day, which we've been celebrating for many years — and it's grown and grown into a huge event."

"It's a special day for the staff and parents to cele-

brate what the young people have achieved.

"The parents are brimming with pride!"

After the fleet of vehicles had disgorged their dapper passengers, everyone popped inside for a celebration lunch, followed by a ceremony in which the students received their prized records of achievement.

And the day wound-up with a celebration tea... for slightly more than two.

Scouts celebrate successful year

ILMINSTER Scouts celebrated another great year of achievement, both for individual members and as a team, during their annual general meeting on Tuesday May 15th.

First on the agenda was the presentation of a cheque for Help for Heroes of £130, half the amount raised from the cubs' Sunday morning cafe at Bilbys on the day of the Lions 10k (the other half has been put into their general funds).

Church warden John Robson, a member of the Royal British Legion, attended the meeting and accepted the cheque to pass on to the charity.

He commented that it was almost 60 years since he had taken off his scout uniform to join the army and the best thing about it for him had been getting dirty and going to an international jamboree in Birmingham.

He said: "It was amazing to me to see scouts from Canada and North America. I think Baden Powell would be pleased to see the result of his work today."

When he accepted the cheque, Mr Robson told the young people in front of him how the generosity of the people of Ilminster never ceased to amaze him and he was particularly impressed with the cubs for their cafe initiative. He added that Chief Scout Bear Grylls should be made aware of the wonderful achievements of Ilminster Scouts and he would

By Marion Draper

make sure he heard about them.

Badges and certificates were then awarded, including a 10-year service award and a silver chief scout award, which is achieved after gaining six challenge badges and is a great addition to a youngster's CV for the future.

Assistant district commissioner Heather North then called upon district commissioner Dawn Wines, who is also one of the Ilminster leaders, to accept a gift of flowers for her dedication to scouting, having given many hours of time for the betterment of young people across the Ilminster, Chard and Crewkerne area.

Mr Robson was then called upon once more to help judge a cake decorating competition, choosing a first and second in beavers, cubs and scouts.

It was a difficult decision as a lot of patience, imagination, and effort had gone into the cakes which varied from a monster face to Diamond Jubilee themes and animals. They were given token prizes of wind up torches and pop up pencils.

Ilminster Scouts would like to thank everyone who has supported their fundraising over the last year and especially Tris and Jane Pinkney from Bilbys for allowing them the use of their coffee shop.

Sponsors gather for official opening of new rooms at home

SPONSORS of refurbished rooms in the B wing of Vaughan Lee House, the community-run residential home in Ilminster gathered to witness its official opening.

The longest serving member of the management committee, Alan West, welcomed everyone and thanked the sponsors. He explained how five new bedrooms were built to make up for rooms lost as part of improvements.

Sponsored rooms are: The Lions Room; The Jim Olds Room and the John Perkins Room which were all sponsored by the Lions Club of Ilminster and District; The Woodhall Room, sponsored by Chris and Heather Virgin; The Shaw Room, sponsored by Malcolm and Sonya Young; The Albert Goodman Room, sponsored by Albert Goodman Chartered Accountants; The Oxenford Room, sponsored by the family of

Beattie Denman; The Bonner Room, sponsored by Palma Bonner in memory of husband Mike; The Beacon Room, sponsored by The Beacon Charitable Trust, five rooms yet to be named, sponsored by The Gooch Charitable Trust and two rooms yet to be named, sponsored by The Friends of Vaughan Lee.

Lord Ewen Cameron cut the ribbon as it was his grandmother, Ursula Vaughan-Lee, who had

provided the start-up money for the limited company in the 1960s.

Lord Cameron said: "She was a terrific old lady and I am sure she would be thrilled to see what her modest contribution kick started."

The sponsors were able to view the improvements and enjoy high tea in the Archie Gooch Room with some of the residents.

In July phase two will begin to and another round of fundraising will be needed.

Kids get into the May spirit

CHILDREN across South Somerset have been taking part in May Day celebrations.

Barrington Primary School teachers, pupils and friends were crossing their fingers that the rain would stop in time for their annual May Day procession but they need not have worried as the day dawned dry and

fresh on Saturday, May 5th.

Pupils of St Mary and St Peter and their families gathered at the school field where the May Day royalty were crowned and robed by surprise guest, Amanda Downing, former head of base who recently left the school.

In the annual tradition the king,

queen, prince and princess processed with the school banner ahead of the rest of the children along Watery Lane to the schoolyard where they danced the maypole before everyone enjoyed the May Fayre, with stalls in the playground.

A May Fayre held at Burnworthy House residential care home in South Petherton was declared a great success by the organisers.

It was the first May Fayre held at the home for several years. Luckily the weather was fine, which brought villagers and residents' families to join the fun.

There were several stalls including raffle, tombola, children's games, bottle stall and bric-a-brac.

Children were able to enjoy a

Punch and Judy show, magic show and a balloon making workshop.

Pupils from South Petherton Junior School performed country dancing while the residents enjoyed it all.

The Friends of Buckland St Mary School were delighted with the response to their May Fayre and hope that profits could exceed £1,500.

On a beautiful day they were able to hold all their events outside and committee member Louise Webb said: "It made such a difference. We are yet to finalise the figures and are still counting.

"We would like to thank all parents, staff and the local community for coming along and making it such a fantastic day."

■ **NEWLY CROWNED:** Barrington Primary School's May princess Keira Adey, king Josh Lee, queen Charley Jeffery and prince Benjamin Austin

■ **MAY POLE:** Buckland St Mary schoolchildren dance around the may pole

■ **JUBILEE WINNERS:** Winners and other entrants of the Jubilee Crown competition held at Buckland St Mary School's May Fayre

■ **MAY DAY DANCING:** Children dance at Burnworthy House, South Petherton

New youth theatre comes to Chard and Crewkerne

AFTER the great success of Stage4Kidz opening in Chard and Crewkerne the senior members were asked how they would like things to evolve, some expressed interest in putting on full musical productions. Founder Jackie Smith said: "As Stage4Kidz stands this is not possible, due to the vast age range and the high cost of putting on a full production, we also feel it is important to keep our three annual shows as they are at present as this is a great way to showcase all of our members talents. So with this in mind we have decided to start YAPS (Youth Amateur ProductionS)

"YAPS is for our older Stage4Kidz members (eight and upwards) who will be working to produce a full musical hopefully two or three times a year (extra to our normal showcases). The members will be involved in choosing the script, sourcing and making the costumes and props, choreographing, lighting, sound and directing if they wish. Eventually it would be great if youth could be involved in all areas of the whole production (even writing the script).

"This section of Stage4Kidz is a non-profit making group, the members will have control over the funds, after each production any money raised will be put back into the group to help fund their next show, the members will also fundraise towards costs."

YAPS first production will be 'Cindy The Musical' (a modern Cinderella) on May 26th and 27th at Chardstock Community Hall at 7pm. Tickets will be £5 adults £4 for 15 and under. From Kelly Leigh Studios Chard Saturdays. Crewkerne studio above prelude Sport Sunday afternoons and Chardstock Post Office the week before performance. Visit the website www.stage4kidz.co.uk for more details.

ILMINSTER Arts Centre is delighted to welcome top jazz trumpeter Ben Cummings, who has established a formidable reputation as one of Britain's finest players. His trumpet style is highly sought-after on the UK jazz scene, and he has played with the likes of Jacqui Dankworth, Jamie Cullum, NYJO, and The Humphrey Lyttelton Band.

Based in Bristol, Ben is a full-time musician who plays and sings with a mellow sound, reminiscent of the great Chet Baker, who became well known in the 50's as part of Gerry Mulligan's quartet. Other influences include Clark Terry and Bob Brookmeyer. He is accompanied this evening by popular IAC regulars, The Craig Milverton Trio.

Ben Cummings will perform with the Craig Milverton Trio on Friday, June 1st at Ilminster Arts Centre, starting at 8pm. Tickets cost £12, and a pre-show supper is available at 7pm for £9.50.

Arthur Miller's All My Sons at Warehouse Theatre

THE Warehouse Theatre in Ilminster is to stage a performance of Arthur Miller's 'All My Sons' from May 22nd to 25th at 7.30pm nightly.

All My Sons was the first of Arthur Miller's plays to make it to Broadway and hailed him as one of Theatre's genuine new talents. He began writing it in 1945 when he was 30 and already a successful novelist and had written radio and screen plays. Having had one play close after a matter of days on

Broadway he decided to give it just one more go and *All My Sons* was it. It was a great success.

All My Sons is a moving, powerful drama about family and the ethics of profiteering. It is set in America in the late 1940's at the home of Joe and Kate Keller. It is the morning after the apple tree planted in the memory of

their son Larry, who was lost in action during the Second World War, has been torn down by a storm. The loss of Larry and the court case that put Joe's business partner in jail are the two things that the family

cannot put behind them. Things are bought to a head when Ann, Larry's girlfriend and daughter of the jailed business partner, comes to stay.

All My Sons is directed by Cathy Stuckey.

LIVING THE AMERICAN DREAM? A shadow hangs over Joe Keller (Dave Goodall) and his wife, Kate (Teresa Ravencroft)

THE TRUTH WILL OUT | Chris Keller (Chris Williamson) and George Deever (Dan) come face to face.

Pete Allen Band to play at Hinton Festival

THE Pete Allen Band will play an evening concert on Tuesday, May 22nd at the 7th Hinton St. George Festival in St. George's Church in the village.

Pete Allen, one of the finest clarinet and sax players of our time, first formed his band in October 1978, and during the early years made thirty appearances for BBCTV's "Pebble Mill At One". In addition, the band has appeared on many regional television shows including a six week series for HTV. They have regularly featured on Radio and over the years recorded many LP's, cassettes and CDs.

"We are absolutely delighted that Pete Allen and his band will play the opening concert of our Festival" said Festival Chairman Les Farris. "The Band appears at prestigious Jazz Festivals, Theatres and Clubs throughout the UK and abroad, with tours in Germany, Holland, Denmark, France, USA, Majorca and the Canary Islands. So it is something of a coup to have booked them to play in our small Somerset village.

"Pete's band plays an exciting and varied selection of traditional and mainstream jazz. It's a sound that everyone can appreciate. We look forward to a thoroughly enjoyable evening."

Tickets are £10 and £12 and can be ordered by calling 07500 532 543, by emailing hintonfestival@hotmail.co.uk or from the website www.hintonfestival.org.

Students will rock you with final performance

FINAL year Performing Arts students at Yeovil College will take to the stage for a final time next month with the hit rock musical 'We Will Rock You'.

Inspired by the music of Queen, 'We Will Rock You' is set in a nightmare future where Earth has become Planet Mall, controlled by the Globalsoft Corporation and ruled over by the Killer Queen. Human culture and creativity has been replaced by computer-generated conformity, so the Ga Ga Kids listen to bland pop music and have never seen real musical instruments. But there is hope. The rebellious Bohemians have heard of a prophecy that real instruments will be found on Planet Mall. They embark on a quest to find them, but will they succeed and free Planet Mall from the Killer Queen's clutches?

The show is a real crowd-pleaser, featuring many of Queen's greatest hits, including 'Killer Queen', 'Radio Ga Ga', 'A Kind of Magic', 'One Vision', 'Under Pressure', 'Don't Stop Me Now' and 'Another One Bites the Dust'.

Student Olivia Butler of Yeovil is acting as Deputy Stage Manager for this version of 'We Will Rock You'. She

said "Because this is the final piece we will all work on together, we decided to do something that we felt reflected us as a group. We knew we wanted to do a musical because we all love musical theatre. We found out that 'We Will Rock You' was available and leapt at the

MAGNIFICO | Clockwise from top: Harriet Pike, Caz Guppy, Lucy Warr, and Melissa Wroe.

chance of doing it. This end-of-year show is usually the biggest show of the year, so we're aiming to put on a fantastic performance that everyone will enjoy."

Performing Arts lecturer Ben Woof has been working with the students on the show. He said "'We Will Rock You' is the BTEC Extended Diploma students' Final Major Project. It gives the students a chance to showcase everything they have learned about performing and stagecraft during their course, so really is the culmination of two years' study. They've chosen a very ambitious musical, featuring a futurescape which will present challenges regarding costume, set design and special effects. After the success of 'The Wiz', however, I'm certain these students will take 'We Will Rock You' in their stride and produce an excellent end-of-year show."

'We Will Rock You' will be performed at Yeovil College on Wednesday 13th, Thursday 14th and Friday, June 15th. Doors open at 7.30pm each evening and there is an additional matinee performance on Friday, June 15th at 2.30pm. Tickets are £8 (£5 for concessions). For more information, please call 07854728100.

An exhibition showcasing the people and businesses of Crewkerne

The Old Textile Mill, South Street, Crewkerne
Thursday, May 24th to Saturday, May 26th 2012

Supported by Crewkerne Town Council, ABCD, Crewkerne Chamber of Trade & Commerce and Crewkerne Rotary Club

This is how it all started...

On a cold and windy morning in February 2012, Jeff Palmer and I were walking the Bridgwater to Taunton canal.

We set out from the carpark of The Boat and Anchor Inn with some trepidation as the clouds were lowering over The Quantocks and it looked like rain!

As usual we encountered locals with their dogs, hardy cyclists, red-faced runners and the odd visitors like us. At one stage we were chatted up by two desperate damsels who were lost!

We were talking away merrily and had got to Huntworth village when Jeff suddenly went quiet (a rare occurrence). I thought he was unwell, when he said: "I'm having a light bulb moment!"

I expected his face to burst into flames, or his beard to go straight! He said: "An exhibition to kick start Crewkerne and get the town humming again!"

Being a born enthusiast for such things, I happily agreed that his idea was worth pursuing.

We quickly reminded ourselves of the ode by the late Donald Bryant, master baker formerly of South Street, Crewkerne.

Crewkerne businessman ANTHONY BUCKE explains how the CREWKERNE SHOWCASE idea came about

**"IF YOU VALUE WHAT YOU EARN...
SPEND YOUR MONEY IN CREWKERNE"**

WE walked on to Maunsell Lock, and after an appropriate break, retraced our steps and repaired to "On The Level" at Sedgemoor Market for a very late breakfast and more chat. "On The Level" is a very well run business cafe and restaurant catering for farmers, shoppers, drovers, exhibitors and auctioneers – all the types of people you would expect at a regional market.

More than satisfied with our coffee and breakfast, this simply compounded our vision of a good exhibition for Crewkerne, with business-like catering to match.

Our reasons were manifold. It was 21 years since we were last involved with an exhibition for the town – Crewkerne Towards 2000. Much

has changed in Crewkerne since then, and we agreed it was time to tell people about those changes.

In straightened financial times, trade is vital to all businesses, and promoting all that is good about Crewkerne and district must have some positive effect

on the prospects of **ALL** of us.

**CREWKERNE ...
ONWARDS TOGETHER!**

CREWKERNE has a great deal to be proud of. A massive 90 per cent occupancy level of town centre shops; a strong and diverse employment scene, both in the traditional trading areas and on farms and smaller business parks; a loyal and hard working local workforce, a high proportion of whom are employed locally; and an affluent and active populace keen to support local enterprises.

Many, many meetings later, but in record time, Crewkerne Showcase is on track to hit the headlines on May 24th, 25th and 26th.

The exhibition would not have been possible without A Better Crewkerne and District (ABCD) championing our cause, and funding it; unanimous support from Crewkerne Town Council to also fund it, and various forms of support and funding from Crewkerne Chamber of Trade and Commerce, Crewkerne Rotary Club, Crewkernetown.org; a leap of faith by Suttons International Exhibitions, and all the exhibitors who have shown support for our vision.

We are indebted to the long-suffering working party consisting of Angie Singleton, Diane Butler, Neil Mackintosh, Peter Manning, Marcus Barrett, Paul Bradley, Eileen Mill, Marie Austin and Philip Evans representing the **Crewkerne Weekender** community newspaper, plus Jeff and myself.

I hear the drinks are on me!

Crewkerne – a town fighting through these difficult days

CREWKERNE's favourite free newspaper, *The Weekender*, is giving its full support to the Crewkerne Showcase exhibition.

Now owned by Devon, Dorset and Somerset Series of Newspapers – part of Tindle Newspapers Ltd, the biggest publisher of weekly newspapers in the country – *The Weekender* series has editions in Crewkerne, Chard and Ilminster, distributing over 8,500 copies every week, more than any other newspaper group in this area.

The *Crewkerne Weekender* was appointed as the official media partner when the organisers launched their plans to organise an exhibition to showcase the people and businesses of Crewkerne.

The *Weekender* has been responsible for selling the exhibition space and we will be manning the reception desk at the three-day event which will be officially opened by MP David Laws at 2.30 pm on Thursday, May 24th.

The *Weekender* will also be sponsoring three awards for the exhibition standholders. Visitors to the exhibition will be asked to vote for the following:

- ◆ BEST STAND
- ◆ MOST INNOVATIVE EXHIBITOR
- ◆ MOST PRO-ACTIVE EXHIBITOR

Voting forms will be handed out at reception and visitors to the exhibition will be asked to place their votes in a special box when they are exiting the exhibition venue.

Philip Evans, managing director of Devon, Dorset and Somerset Series of Newspapers, said: "We are delighted to be associated with the Crewkerne Showcase exhibition.

"A similar exhibition back in 1991 was a tremendous success and it says a great deal for the business community of Crewkerne that they are putting themselves back out there to demonstrate how the town is fighting its way through this current uncertain financial climate."

A WEEKENDER 12-page SUPPLEMENT ON SHOWCASING CREWKERNE

Exciting opportunities for entrepreneurs

Antiques bazaar to open in Old Textile Mill

RETRO, vintage, upcycled, recycled, collectable, modern, re-worked, contemporary.

You name it, and — if you're "into" antiques — you'll soon be able to find it all under one roof: The Antiques Bazaar.

The intriguing buzzwords of the amazing world of antique dealers and interior designers describe a vast array of fascinating objects, furnishings, utensils and products.

So, it's no wonder that more and more

people are keen to acquire special additions to transform their homes.

Interest in antiques and interiors is definitely booming.

And that can open up some exciting opportunities for new and seasoned entrepreneurs.

So too can the interesting economic times in which we all now live.

Concepts such as "strategic review", "downsize", "job re-evaluation", "gardening

ANTHONY BUCKE — one of the movers and shakers behind the Crewkerne Showcase Exhibition — has exciting plans for a new antiques and interiors business. And he's looking for like-minded entrepreneurs...

leave", "early retirement" may be some of the less palatable ideas being floated by certain employers at the moment — and not nice if your name is attached!

But, every cloud...

Career changes are not all bad, and a new business starting in Crewkerne may well be just the opportunity you are seeking!

The Antiques Bazaar, a large and high-profile antiques and furnishing warehouse, is soon opening in Crewkerne.

Innovation

It will offer a choice of permanent pitches for established and budding dealers in the fascinating world of antiques, recycled retro, and interior design.

Formerly part of the premises occupied by the well-known Crewkerne Furniture Emporium, the emphasis at the Antiques Bazaar will be on style, uniqueness, quality and innovation.

For dealers in curios and china there will

be cabinets. For those concentrating on larger items, there will be 12ft square stands, with larger pitches for those wanting to make the new warehouse their permanent base.

The newly-refurbished premises are open-plan with wi-fi and excellent parking and facilities for loading and unloading.

And everything is on the ground floor!

A stylish new café run by a very experienced and innovative operator will offer traditional snacks with hot and cold drinks.

The location is already very popular with customers and visitors and is shared by the highly successful Original Factory Shop.

And there's more!

Crewkerne's antiques and furnishing

warehouse will include a website for dealers to display their latest stock, plus a regular programme of well-publicised themed events to build visitor interest.

But that's just the beginning...

The long-term strategy of the Antiques Bazaar is to develop a cluster of parallel businesses in Crewkerne, embracing furniture restorers, French polishers, upholsters and other trades and crafts that complement antiques, retro and interior design.

◆ Interested? Come and have a chat during the Crewkerne Exhibition Showcase; or call me, Anthony Bucke, on: 07854 377649.

You can also find out more at:
www.antiquesbazaar.co.uk

■ **PRIME LOCATION:** The new Antiques Bazaar is conveniently located next to the highly successful Original Factory Shop and has great facilities — and all on the ground floor.

Cafe at the Old Mill

◆ **EXHIBITORS and visitors will not go hungry at the Crewkerne Showcase exhibition.**

A pop-up cafe is being created especially for the three-day event, opening at 11 am on Thursday, May 24th.

The cafe will be run by Angela Hillier who runs the Vintage Fair arts cafe in Yeovil and is also pro-

prietor of the Number 29 bed and breakfast establishment in Yeovil.

Angela has a wealth of experience in catering and the hospitality trade, having worked for Trusthouse Forte in the past.

She will be serving tasty, home-cooked food and beverages at sensible prices with the emphasis on fresh, locally-sourced ingredients.

New traders' leader sets out his vision

THE Crewkerne Exhibition Showcase is a good time to remind Chamber members — and potential members — what we stand for and what we want to do for the local business community.

The Chamber of Commerce is an interconnected group of businesses and professionals working together to increase local

commerce and to serve their communities more effectively than could be done separately.

There is a distinct advantage in combining efforts with other like-minded businesses and applying modern technology effectively to expand our own businesses, while also increasing awareness of our community in the wider

◆ **A NEWLY-reformed Crewkerne Chamber of Trade and Commerce is an enthusiastic supporter of the Crewkerne Exhibition Showcase.**

The newly elected Chairman is Jonathan Edgington, owner of Intouch Mobile Solutions in Victoria Mews. He sets out the Chamber's aspirations for the months and years ahead...

world. The more our local business community grows, the more potential

there is for all of our businesses and services.

As business people in

today's economy, it is vital to our success that we make the most of all the tools available.

And many of the tools necessary for expanding our businesses and reaching new potential customers and clients are already available through our local Chamber of Commerce.

Without the support of the chamber and the technology available through Chambers of Commerce, it is much more difficult for an independent business to be successful in today's turbulent conditions.

Prospective customers searching for reputable businesses through the internet, or by other traditional sources, frequently begin with the local Chamber of Commerce.

The chamber, in turn, can drive incoming business directly to its members.

Chambers of Commerce are not governmental organisations. We receive no direct government funding.

Each chamber is separate and independent and stands on its own two feet.

We are not connected to other chambers by governance or funding.

Here in Crewkerne, we have begun updating and

modernizing our constitution.

Our emphasis will be on running our chamber professionally — and as a non-profit business.

We will be meeting every month and will shortly be releasing a clear and concise mission statement.

But I can state now that it will be focusing on greater internet exposure, more inter-chamber trade between members, and mobile apps to access news about the chamber, its events and members.

We will be looking at using all the social networking streams such as

Facebook, Twitter and LinkedIn to promote the chamber and its members.

Our new mission statement will also emphasise the need to increase trade locally, and highlight a programme of events and promotions.

We particularly want to bring the market back to where it belongs — Market Square in our "Historic Market Town".

We will also be working and liaising closely with partner organisations such as the town, district and county councils, ABCD, Crewkerne Civic Society and Rotary Club.

Our members and our

new committee are united in seeing the chamber as a powerful champion of local businesses, the local economy, and of our town as a whole.

We believe there is a new air of enthusiasm and dynamism in the business community in Crewkerne.

And we intend to encourage it and build on it. We warmly invite fellow business people who share our vision to come on board with us and get involved.

Together, we can unlock Crewkerne's fantastic potential and look forward to a successful, thriving future.

School steel band at opening ceremony

◆ **STUDENTS** from Wadham School will be playing an important supportive role at the Crewkerne Showcase exhibition.

The school will be exhibiting at the exhibition but pupils will also be giving assistance with controlling parking in the area and greeting civic guests.

The school's popular steel band will also be playing at the opening ceremony by MP David Laws at 2.30pm on Thursday, May 24th.

Twenty-two pupils started to learn to play the

steel pans in February and have become a great hit at the school and in the community.

Playing in the band are: Jack Dixon, Rosie Blows, George Horgan, Rosie Clark, Melissa Hanson, Molly Soo, Lauren Parken, Susanna Harvey, Chloe Adams, Laura Hann, Issy Dupe, Ashley Moon, Anna Griffiths, Kirsten Epps, Rhiannon Dabinett, Harriet Hodder, Abi North, Cailin Berry, Ellie Hoyle, Thomas Bending, Lisa Shearman and Colette Senior.

■ **WE MEAN BUSINESS:** Mark Saunders (left), of Frank's Sandwich Bar, is the new Chamber of Commerce vice chairman, and Jonathan Edgington, of Intouch Mobile Solutions, is the new chairman.

Showcasing the people and businesses of Crewkerne

Welcome from the Mayor

Welcome to Showcase Crewkerne. It has been several years since the last Showcase and it is great to see another.

The Town Council was delighted when informed that this was planned and had no hesitation in offering support to the endeavour.

As well as a network opportunity for local businesses, the Showcase is also an opportunity for young people in the town to see what a diverse employment area this is and to find out what employers are looking for.

It is a great chance for everyone to

have a look at all the different businesses based around Crewkerne and what they have to offer.

I would like to thank everyone who has worked so hard behind the scenes to ensure that this event takes place because without their tireless work great events like this would not happen.

Finally I hope everyone has a good time at Showcase Crewkerne and that you find out something new about the town that you did not know before.

**Councillor Neil Sturtivant

Improving the quality of life in Crewkerne

ABCD – A Better Crewkerne & District – is a charitable trust set up to champion the quality of life in our community.

We are supported by representatives from many local groups and organisations, which include the town, district and county councils.

And we are ably supported by our South Somerset Regeneration Officer, Zoe Harris.

We began nearly a decade ago when we were given the job of producing the Community Plan, which was launched in March 2006 and followed by a progress report in 2009.

The Crewkerne Community Plan identified seven themes:

- ◆ a vibrant community;
- ◆ improving prosperity;
- ◆ leisure and culture;
- ◆ lifelong learning;

**DIANE BUTLER, Chair of
A Better Crewkerne &
District, sets out the stall
for a small group with a
big vision...**

- ◆ health and wellbeing;
- ◆ improving transport; and
- ◆ quality of the environment.

Based on these seven themes, ABCD has developed a range of projects geared at improving the quality of life locally – all the time working and consulting with other community groups and councils.

Our full committee meets every other month in the Heritage Centre where a range of ABCD working parties report back on their activities.

So, what have we done and what have we achieved?

We and the Crewkerne Civic Society carried out a very successful “De-Clutter Programme” with the removal of a host of ugly signs and redundant posts from around the town centre.

ABCD also carried out a Conservation Area Ap-

praisal with the district council; a Traffic Management Consultation with Somerset Highways; and our Shared Space Study (focusing on the pedestrian walkway between Falkland Square and the George Precinct, and involving local landowners and retailers) won a national award.

These are just some of our successful schemes and projects.

Smaller successes include the installation of tourist boards, the traders’ board, support for the community board in Falkland Square, the “Shopping in Crewkerne” leaflet, the “Crewkerne in Motion” transport booklet, two community fairs for voluntary groups, and a youth fair in the Victoria Hall.

We are also actively involved with the Crewkerne Showcase, at which we are supporting the Chamber of Trade and Commerce.

And our Marketing Crewkerne Working Party has a major tourism initiative in progress which will include a visitors’ guide, tourist maps, postcards, and the promotion of Crewkerne as a place to visit and a base to explore the West Country.

ABCD’s achievements are down to the commitment of its members and working parties who voluntarily give up many hours of their own time to develop projects which will benefit everyone living and working in and around Crewkerne.

■ **CHECKING THE FIGURES:** ABCD Treasurer, retired RAF Group Captain Paul Bradly, and ABCD Chair Diane Butler, Manager of the Crewkerne Local Information Centre, run through the group’s accounts.

MP to open Showcase exhibition

MP David Laws will open the Crewkerne Showcase exhibition at 2:30pm on the opening day – Thursday, May 24th.

Mr Laws has sent the following message: “Crewkerne is a great place to do business, to live or to visit, and at a time when the UK’s economy is struggling, it’s good to see just how

resilient our local businesses are. I’d like to congratulate the organisers of ‘Showcase Crewkerne’ and for giving residents this opportunity to celebrate the vibrancy of the town’s economy and highlight the job opportunities available to young people in our local businesses”.

Lexus leads the way in nation wide MOT pass rate analysis

LEXUS quality shines through as Honest John confirmed the manufacturer is rated as the top performer in an analysis of MoT pass rates.

The analysis of MoT records obtained by honestjohn.co.uk, revealed that an average of 88.2 per cent of Lexus cars registered in 2008 passed their first MoT, against a national average of 80 per cent.

Lexus is also the best performing manufacturer when analysing all MoT records, with a pass rate of 75.3%. MoT data has been collected since 1980, a total of 24.5 million records.

Richard Balshaw, Director of Lexus GB said 'These results reinforce the simple message that, if you buy a Lexus, you are buying a car that is of the highest quality.'

The research by honestjohn.co.uk involved examining tens of millions of records obtained from the Vehicle Operator and Services Agency (VOSA) through the Government's OpenData scheme. Now honestjohn.co.uk is publishing it as The MoT Files at honestjohn.co.uk/mot – the first time this information has ever been available to the public in such detail.

MPV King Seat Alhambra picks up tenth UK award

• **Class leading seven-seat MPV is Diesel Car MPV of the Year once again**

• **Latest Alhambra has collected ten national awards since launch**

• **SEAT's ultimate family car goes from strength to strength**

SEAT UK is celebrating a double-digit tally of national awards for its widely-praised Alhambra with news that it has been crowned 'MPV of the Year' from respected specialist publication Diesel Car for the second time in a row.

The Spanish car maker's exceptionally flexible seven-seater has been named best MPV by Diesel Car in the magazine's annual Car of the Year Awards.

The latest honour joins important 'gongs' from such influential titles as What Car? Carbuyer.co.uk, Auto Express, Fleet World and Fleet News – all of which have named the Alhambra their top

MPV.

The Alhambra was praised by the experts at Diesel Car for its flexibility, value for money and high quality. 'Everything about the Alhambra is planned for total convenience' summarised the magazine in its awards issue.

Specialist motoring title Diesel Car focuses on the diesel car market but also includes reports on alternatively fuelled and eco-friendly vehicles. The well-respected magazine boasts a long list of established and influential writers and contributors who deliver the latest news on, and insights into, the diesel car market.

Welcoming the Alhambra's brace of award wins, SEAT UK Managing Director Peter Wyhinny said: 'This fantastic award from Diesel Car is the tenth UK accolade the Alhambra has received,

which shows very clearly how brilliant our seven-seater really is.

Available in S, SE or top spec' SE Lux trim and priced from just £23,535 RRP, the award-winning Alhambra is offered with a choice of modern turbocharged petrol or diesel pow-

erplants. All engines can be paired with either a six-speed manual or a smooth six-speed DSG auto that offers the extra flexibility of sequential manual operation via the standard-fit steering wheel-mounted paddle shifts.

THINK! advice for motorcyclists

THE roads are getting more crowded, and the pressure is increasing to make sure that you do not put yourself or others at risk. The following tips will help keep you and other road users safe:

Choosing the right helmet could help save your life

The SHARP rating system helps you understand how much protection a helmet offers in a crash. Visit the SHARP website for advice.

Wear the right gear

• Fall off your bike and tarmac will shred through your jeans in

seconds. Wearing the right gear is just as important to your safety as servicing your motorcycle and knowing how to ride it.

• Wear bright or fluorescent gear during the day and reflective gear at night

• Bikers must wear a protective jacket, gloves, boots and trousers

Make sure you:

- anticipate the actions of others
- are alert and observant
- can slow down and

stop if the unexpected happens

• position yourself in the safest and best place to maximise your visibility of potential hazards

• take a 'lifesaver' glance over your shoulder before carrying out manoeuvres, so you know where others are and what they're doing

Consider further skills training to improve your performance and safety on the road

Further training is available with different schemes to suit your needs.

Ford Focus crowned Best Medium Car at the 2012 Diesel Car Awards

THE all-new Ford Focus is best diesel medium car thanks to its contemporary style and refinement – as declared by Diesel Car magazine at its 2012 awards.

According to Diesel Car magazine, buyers are particularly attracted by its style and contemporary cabin. The all-new Ford Focus fought off competitors including the Hyundai i30 and Volkswagen Golf.

Editor, Ian Robertson, added: "Still the one to beat among mid-size family cars, the Ford Focus is simply the best in its class."

Ford Focus has just surpassed the landmark 1,500,000 sales since its launch in 1998 and continues to dominate its

segment. The all-new Focus is recognised for its driver assistance technologies and refined drive, and offers a number of fuel efficient powertrains including the popular 1.6 TDCi which emits 109g CO2/km while returning 67mpg.

This diesel engine has been further optimised with a new injection system and turbocharger,

enhanced charge-air cooling and friction-reduction technologies. It will be introduced in the UK market next month in the Focus EConetic Technology which is capable of CO2 emissions as low as 88g/km.

Other Ford models acknowledged at this year's awards were the Ford Fiesta, Ford Mondeo and Ford S-MAX, which were runners up

in their respective categories – small car, large car, estate car and MPV.

Andy Barratt, Ford Britain sales director, said: "We are delighted that Focus has been awarded best medium car by Diesel Car magazine. Around 50 per

cent of Focus cars bought are diesels and we look forward to welcoming the Focus EConetic Technology to the range shortly. This will offer 83.1mpg, making it the most fuel-efficient non-hybrid family car currently available in Eu-

rope. This independent endorsement recognises Focus's all-round appeal, as well as the UK-based Ford engineers and manufacturing specialists responsible for the diesel powertrains."

Aquaplaning - Don't lose your grip!

THE UK has just experienced the wettest April* on record and these are the conditions that can quickly turn a normal road or motorway into a hazardous skidpan. When water collects on a road surface the possibility of aquaplaning increases dramatically. Aquaplaning is when a cushion of water builds up between the tyre and the road surface. The result is a loss of steering control which could lead to an accident.

To help prevent aquaplaning, having adequate tread depth and tyre pressures are crucial. The law requires a minimum of 1.6mm of tread, however, safety and tyre experts recommend that to be on the safe side winter tyres, for instance, should have a minimum tread depth of 4mm (summer tyres should have a minimum tread depth of at least 3mm) – taking into consideration the advice to change tyres seasonally. The greater the tread depth, say experts, the less likely it is that the driver will experience aquaplaning.

In addition, the tyre pressure should be correct and set at the level indicated in the owner's handbook. If aquaplaning does occur, the advice is to stay calm, come off the accelerator and don't touch the brakes or try to turn the steering. As speed decreases, the tyres will start to bite through the film of water to the road surface and control can be regained.

Mytyres.co.uk has a wide range of competitively priced tyres, in fact more than 100 different tyre brands and over 25,000 tyre types. Buying tyres online is easy and convenient at anytime of the day or night and is secure. Tyres can be delivered to a customer's home, place of work or at any of the company's network of more than 1,900 service partners in the UK who will provide a quality fully fitted service as well as expert tyre fitting and advice.

JACK HIGH BOWLS NEWS

VICTORY IN NEW LEAGUE FOR ILMINSTER

SEVERALLS with Pru Robbins

SEVERALLS had a busy week with three matches, two away and one at home.

Our Thursday afternoon friendly at home against Donyatt was cancelled due to the awful weather. We have already cancelled more matches this year than all of last year because of the dreadful weather.

On Saturday, May 12th however the weather was really 'summerish' and we enjoyed a very successful afternoon against Shaftesbury in the Wessex Mixed Friendly League, winning on all four rinks, and by 116-51 overall, taking all 16 points available.

Rink scores: C.Phinn, Jackie Stacey, Alan Dow & D.Rees 28 - J.Blandford 16. M.Gilbert, H.Black, John Stacey & R.Hodder 24 - G.Young 21. S.Hodder, B.Gilbert, S.Rees & R.Devney 38 - R.Alford 6 L.Noah, Ann Larcombe, D.Wallis & R.Radford 26 - J.Sainsbury 8.

On Sunday, again on a lovely afternoon, we entertained South Petherton in the League and won on two of the four rinks winning by 15 shots (75-60) taking 12 of the 16 points available.

Rink scores: L.Freeman, V.Black, B.Gilbert & D.Rees 22 P.Hutchings 8. M.Gilbert, H.Leamon, A.Daw & K.Leamon 13 C.Harris 23. N.Austin, J.Lacey, S.Rees & R.Devney 28 L.Symes 9. N.Patel, Ann Larcombe, H.Black & G.Chant 12 R.Bell 20.

CHARD with Penny Herrick

CHARD'S Lawn Green Bowlers were extremely well 'turned-out' when they wore their new coloured tops, sponsored by Country Butchers, Chard and Oriental Aroma Chinese Restaurant, Chard, for a friendly game against South Petherton. They played four games of mixed triples and won one game, drew one game and lost the other two.

The final score was South Petherton 75 Chard 51.

If anyone is interested in playing bowls, please contact Club Chairman Edwin Herrick on 01460 929794 for more details of free membership until April

2013, or come to Chard Bowling Club on a Thursday evening from 5.45pm for a fun evening and a roll-up.

ON THE SPOT...

WEEKENDER SPORT puts Ilminster Cricket Club's JAMES THOMPSON UNDER THE SPOTLIGHT

Q How long have you been involved in the local cricket scene? Who have you played for?

A From six to 18 I played at Crewkerne, followed by a few seasons at North Perrott and I'm now in my third season at Ilminster.

Q Who are the best three players you've played alongside so far, and why?

A Gareth Andrew - In my teenage years he hit it miles and bowled quick as a young lad. Raynor Blitz - I never played with him until the last game of last season, and he hadn't played at all that season, everyone at the club told me how good he was. He opened the batting at Ashcott (a minefield!) and just made it look so easy, scored a ton, won us the game and got us promoted! Craig Rice/Sam Spurway - Both are real competitors and born winners. I hate to lose and so playing with these two is great as they have the same mindset as me.

Q What's the best away ground you've played on?

A I've never really played anywhere big, but two stick out; the County Ground at Taunton and Malaglut CC where the whole outfield is pressed sand.

Q How would you improve things at Ilminster CC?

A Somehow stop the vandalism of a mindless few, and build a 'carribean corner' with their own stand of deck chairs and sun loungers

Q Do any games stick out in your memory?

A Winning the Baker cup final the season before last and hammering Ashcott in the last game of last season to get promoted. This was made all the better as we lost there last year meaning we didn't go up.

Q What are your career-best figures with bat and ball?

A 109 not out vs Ilminster...just ask Craig Brister and Tom Spurway and 5 for 16 versus Bristol West Indies

Q Name some young players we should look out for in the future.

A Dan Vining - a great all-round cricketer. Harry Montacute anyone who can bowl at Dhoni and Dravid must be good. Lochlan Rice who has better arm (aged four) than his dad ever has, just ask the windscreen repair man!

Blues are Champs! but Combe miss out

SOMERSET LEAGUE

DIVISION ONE

ILMINSTER Town duly clinched promotion courtesy of goals from Charlie Rutter, Alex Paul and Jon May in a 3-2 win at rivals Larkhall Athletic on Saturday.

The result was also enough to secure the Division One title itself - a fitting way for player-manager Darren Manley to end his time at the helm.

The team were presented with the championship trophy immediately after Tuesday's final match of the season at Brislington.

The Blues failed to end their superb season with a victory as they went down 2-0 but Manley took the opportunity to give a run-out to several squad players who would then qualify for a championship medal.

◆ ANYBODY interested in applying for the Ilminster Town first team manager's job should contact club secretary Andy Fish on 07875 378663, 01460 57440 or eafsh@btinternet.com (all applications will be treated in confidence).

DIVISION TWO (WEST)

A 2-0 DEFEAT at Portished in Saturday's last game of the season means Combe St Nicholas have just missed out on promotion to the Somerset Division One.

Saints' manager Ivor Hutchings was obviously disappointed with the result but was more deflated by the manner of his team's performance in such a vital match, he said: "We just didn't compete. I accept they had a few players from their western league side in their line-up but we were very poor."

"However, I told the players they didn't lose promotion, and even the title, in this match - that occurred in our three game slumps in September and March when we picked up a solitary point from those six matches."

Hutchings, who is as yet unde-

cided on his future in the Slades Cross hot-seat, was hopeful the squad would stay together, he said: "We were so close. The team have picked up a lot of experience in last couple of seasons - the best is yet to come."

DAISY HUTCHINGS CUP FINAL DOWLISH & DONYATT 3 MILLWEY RISE RES 3

MILLWEY WON 5-3 ON PENS (at Perry Street FC)

MILLWEY Rise became the first ever Perry Street League Division Three side to lift the 42-year-old Daisy Hutchings Cup after they came from behind twice to defeat Dowlish & Donyatt.

Division Two outfit Dowlish, playing in their third cup final in 14 days, took the early initiative when skipper Lee Mears opened the scoring after just three minutes.

But thoughts of an upset were raised when a Dowlish defender deflected a Bradley Miller shot past his own 'keeper, the experienced Jamie Lee.

The South Somerset side restored the lead on the cusp of half-time through promising youngster Nathan Doey. The timing of the goal could have knocked the stuffing out of Simon Flint's side. Far from it. Parity was restored in the 63rd minute when Danny Larcombe pounced for his 12th goal of the season.

At 2-2 the teams couldn't be split and extra-time was required.

Millwey took the lead for the first time in the match in the 94th minute when top-scorer Levi Hoole pounced for his 25th goal of the season. The goal was etched in controversy. Hoole's shot was half-saved by 'keeper Lee but squirmed from his grasp and headed goalwards.

Lee jumped on the loose ball and was adamant that the ball hadn't crossed the line. Despite the obvious doubt referee Bob Brunt and his linesman Clive Crabb decided otherwise and Millwey had their lead.

But this was to last just five minutes as the talented Mears notched his second goal of the final forcing the dreaded penalty shoot-out.

Millwey converted their first four and Dowlish three before the hoops' Matt Vinall struck the post leaving Carl German to score the winning spot-kick.

FARWAY UNITED 5 SOUTH PETHERTON 2

FARWAY United ended the season in fine style with James Salter netting a hat-trick in a 5-2 win against out-going champions South Petherton.

DIVISION TWO

CREWKERNE RANGERS 1 CHARMOUTH 2

GOALS from Simon Smythe and Paul Grinter proved crucial as Charmouth avoided a third successive relegation with a 2-1 win at Wadham School.

The Robins calmed any lingering pre-match nerves when they got off to the perfect start with Smythe netting in the very first minute.

Those nerves will have surfaced again just before half-time when Simon Cherry equalised for the hosts.

With the result now in the balance the next goal was to prove crucial. And thankfully for the West Dorset club it came via a Paul Grinter flick header on the hour.

The Robins, whose fine end of season form yielded 11 points, then saw out the remainder of the match which included a bewildering 11 minutes of injury-time added on by referee Mike Benjafield.

FIVE IN A ROW FOR GLOVERS

YEOVIL Town Football Club has been awarded 'The Football League Family Excellence Award' for the 2011/12 season.

This is the fifth year in a row that the Glovers have won the award, one of only nine teams in the whole Football League to do so.

Created in 2007, the Award is based on an independent assessment, commissioned by The Football League, of the family experience at all 72 League clubs during the 2011/12 season using 'mystery shopper' families and recognises the outstanding experience clubs provide for young fans and families at their grounds.

A record 50 clubs from across all three divisions of The Football League

were given the Award for 2012 - topping the previous highest total of 47 - with nine clubs securing it for the fifth year running. A total of eight clubs also won the award for the first time this year.

In announcing the successful clubs, Football League Chairman, Greg Clarke, said: "The Football League Family Excellence Award provides clubs with a benchmark in their efforts to attract families through their gates.

"It is hugely encouraging to see that the number of clubs receiving the accolade is at its highest ever level, demonstrating The Football League's commitment to securing the next generation of fans."

WEST OF ENGLAND PREMIER LEAGUE

ILMINSTER 1st XI's first steps back into the WEPL Premier turned out to be more of a sprint as they racked up an imperious 371 for 8 at Frocester's Pounds Close ground.

After being inserted openers Louis Kraucamp and Gary Larcombe laid out a firm platform with a 109-run opening stand before Larcombe was caught behind.

But it proved to be only a brief respite as Kraucamp was joined by his skipper Sam Spurway and the pair proceeded to both record superb centuries in a 110-run partnership.

Kraucamp was eventually dismissed for a 93-ball 128, an innings that contained 14 4s and seven 6s.

By the time Spurway fell for a magnificent 138 off just 98 balls (15x4s, 6x6s) the team had charged onto 359 for 7.

The eventual total of 371 for 8 was to prove well beyond the hosts.

■ SAM SPURWAY: 138 in Ilminster's run-spree at Frocester

Openers Trainor (82) and Thompson (50) both posted half-centuries. Larcombe, coming on as third change, had Trainor caught by Richard Elwood and then ripped out the middle order as three wickets fell for just 14 runs and Frocester were eventually dismissed for 245.

PREMIER DIVISION TWO

AFTER losing the toss and being asked to bat first Chard battled back from a precarious looking 49 for 6 to post what proved to be a match-winning 133 all out.

John Scott, batting at number eight,

played what proved to be a crucial unbeaten 37 (2x4s, 1x6) as he nursed the tail through to their final total.

Scott was joined by brother Jon and the pair added 33 in a pivotal stand for the ninth wicket.

The hosts opened strongly with Fear (43) and Green (26) putting on 26 for the first wicket.

But Chris Scott had Fear caught by Joel Seward and Chard were back in the game.

Wickets fell at regular intervals but a home victory was in sight as the score limped along to 114 for 6.

But once again it was Chris Scott who wrestled the game, and the win, back to the visitors recording fine figures of 4 for 24 from 9.5 overs as Chard sneaked home by six runs.

Chard won by six runs

IN the WEPL Somerset Division Ilton 1st XI chased down Frome's 246 in some comfort with Paul Oliver cracking a sublime unbeaten 133 and Nat price 63no.

Earlier Damian Price led the way with the ball taking 3 for 24.

Harry Montacute was the star of the show as Ilminster 2nd XI won a low-scoring affair at the Rec.

Montacute took 4 for 14 and Luke Paul 3 for 7 as visitors Thornbury were shot out for 67 in reply to the hosts 116 for 8 (Chris Warry 24).

Chard 2nd XI's scheduled trip to take on the Bristol West Indians was postponed.

Over in the Somerset League Division Two North Perrott went down to a 17 run defeat at Stogumber.

Stacey Hawes took 4 for 37 and G.Worlow 3 for 17 as the hosts were dismissed for 131. But Perrott could only muster 114 with Worlow top-scoring with 36.

In Division Three an unbeaten 67 from Marc Walmesley couldn't save South Petherton (190 for 8) from a seven-wicket defeat at Bridgwater A (193 for 3, Brett Venn 2 for 39).

North Perrott 2nds (200 for 5) cruised to a 71-run victory over visiting Wembdon (129 all out). S.Payne (82) top-scored for Perrott.

Broadway & Horton's Division Five trip to Cranmore ended in a 17-run defeat. The hosts racked up 200 for 7 with Ian Hosken taking 2 for 29. Hosken (47) and H.Payne (45) were top performers with the willow

but B&H fell just short on 183 all out.

Joe Draper (33) and skipper Andrew Sochon (31) led the way as Chard A posted 137 all out against visiting Bridgwater Sports.

Draper (4 for 16) was top performer with the ball too and was ably assisted by Sochon (2 for 2), Andrew Cunnold (2 for 15) and Dave Crew (2 for 28).

A fine all-round performance from Alan Pitman (47 and 3 for 47) couldn't save Bar- ington 2nds (114 all out) from a 57-run reverse at Castle Cary 2nds (171 for 5).

Down in division 85 the scores were tied at Burnham 2nds where All Saints skipper Mike Nunn (4 for 42) and James Rockett (4 for 29) restricted the hosts to 155.

Earlier Josh Short's 66, a maiden-half-century had formed the backbone of the visitors' total. Meanwhile South Petherton 2nds (110 all out) were thrashed by Taunton Deane Crusaders (111 for 1).

In Division 95 F.Burtschinger's 37 was in vain as Chard 750 (106 all out) were beaten by Huish & Langport (109 for 5).

Not a single Ilminster B batsman made it into double figures as they were crushed by a mammoth 170 runs at Ilton 2nds.

Earlier D.Dibb (50) and A.Fooks (48) starred with the bat as the hosts posted 219 for 7 which proved far too many for Ilminster (49 all out).

DORSET LEAGUE

Crewkerne CC finally got some much needed match practice for the League season with a comfortable friendly victory against Midsomer Norton Methodists at Henhayes on Saturday.

Skipper Ashley Lawrence won the toss and decided to give his side some much needed batting practice.

Tom Briggs (18), playing his first match for Crewkerne since returning to the club and Jon Gould, (15) both got going but Crewkerne found themselves in a spot of bother at 46-4.

However a fine skipper's innings of 55 from Lawrence, his first ever half-century, including eight boundaries helped put the home side in the driving seat, aided by good contributions from Nick Keylock (25) and Francis Medley (26no) as Crewkerne posted a very competitive 164-7.

In reply the Methodists found the going hard and the game was effectively ended as a contest in only the fourth over of the reply as they were reduced to 7-4 thanks to a stunning opening salvo from Medley and Darren Parsons (1-4).

The Methodists batted out the full 40 overs for a total of 68-8, Medley the pick of the bowlers with 4-14, whilst Mark Culpiett picked up 2-7 as Crewkerne won by 96 runs.

Lawrence's men hope to finally start their Dorset Division 5 North-West campaign as they travel down to Weymouth on Saturday to face the league's early pace-setters Weymouth Longshots.

Steve Briggs and Simon Cooper are definitely unavailable, but Richard Keylock should return to play his first league match since rejoining the club's Saturday side in the close season.

A Lawrence (Captain), J Gould, N Bodger, T Briggs, G Carr, R Cornelius, J Crease, M Culpiett, T Isaac, R James, N Keylock, Richard Keylock, Robert Keylock, F Medley, P Palfrey, D Parsons, R Wetherall. Meet at Wadham School 12.30pm or Redlands Sports Ground, Weymouth at 1.30pm for a 2pm start.

Last Sunday's away friendly versus Hooke & Powerstock was cancelled due to a waterlogged pitch at Nettlecombe.

The Sunday side will be hoping for better luck when they welcome Devon side Kilmington up to Henhayes, team;

H Hodder (Captain), N Bodger, Steve Briggs, M Brockwell, G Carr, R Cornelius, J Crease, S Garaway, A George, E Hawkins, T Johnson, A Kember, Richard Keylock, Robert Keylock, A Lawrence, F Medley, Jack Osborne, D Parsons, G Preston, S Rowsell, D Sansom, R Wetherall.
